

SCHOLARSHIP APPLICATION

The StudentAccess Scholarship is a \$500 scholarship open to students currently receiving services from a TRIO program. There are no restrictions on how funds are used. The application must be made by a sponsoring TRIO staff member and only two applications per grant will be accepted per year. Any student who is awarded the scholarship has the right to not accept. To apply, complete this application, include a student photo and return to Heiberg Consulting, Inc., via email: scholarship@studentaccess.com. This is a scholarship based on needed, not GPA, and is designed to give a little extra help to those students who need it most. Nominated students should still be receiving services when the awards are announced. Scholarship winners' name and images could be used in advertising and other materials related to the award.
